

Pre-Exam Help from CRGS Departments

Summer 2010

The following list gives information about lunchtime, after-school or holiday/study leave revision or help sessions being offered by different departments at CRGS prior to GCSE/AS/A-level exams this summer.

You are encouraged to attend these sessions.

I will update this list whenever I have any more information – last updated **27th May**.

Please note that you are welcome to come into school during study leave and discuss things with your teachers. Many departments are running study leave revision sessions. I would advise emailing your teacher before coming in from any distance, to ensure he/she is available!
